WHY US?

- Actual Salvor
- Own Expertise
- Own Assets
- Experienced Personnel
- Proven Track Record
- Strong Worldwide Network

EMERGENCY RESPONSE SERVICES

- Salvage
- Wreck Removal
- Ship to Ship transfer
- Commercial Diving
- Oil Spill Response

SALVAGE

Minimizing loss, protecting life and preserving the marine environment under extreme conditions.

- Experienced Salvage Team (salvage master, engineers, naval architects, firefighters, divers etc.)
- 24/7 Response Worldwide
- Salvage Tugs on Permanent Station
- Support Crafts (tugs, floating cranes, barges, workboats etc.)
- Salvage Equipment (pumping, diving, firefighting, hot tapping, oil removal and containment, inert gas, lifting & towing gear, generators, compressors etc.)
- 3d Modelling / Stress & Stability Calculations
- Salvage Planning & Execution
- Fast Response & Optimal Logistics
- Liaison with Port Authorities

WRECK REMOVAL

- Comprehensive project management for complex operations
- Own heavy-lift assets ensuring rapid, efficient and cost-effective solutions
- Proven expertise applying modern salvage techniques
- Skilled diving and engineering teams supporting safe operations
- Cargo Recovery Services
- Bunker Removal
- Environmentally responsible approach minimizing impact

SHIP TO SHIP TRANSFER

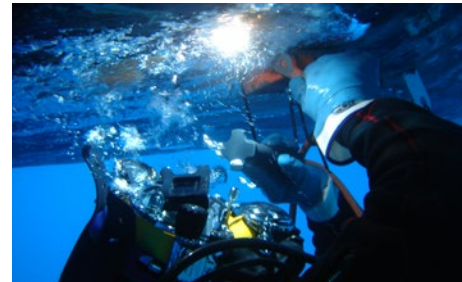

- STS Experienced Personnel
- Support Crafts
- STS Equipment (fenders, inert gas, hydraulic pumps, power packs, hoses, generators, grabs etc.)
- Oil Spill Response Services
- Risk Assessment & Contingency planning
- Implementation of STS procedures

COMMERCIAL DIVING

- In-house Divers (IMCA)
- Commercial diving equipment (deco chamber, IMCA diving equipment)
- IACS certification for in-water surveys
- Wet Welding
- Underwater Repairs
- Wartsila Partnership

OIL SPILL RESPONSE

- OSR Personnel (IMO standards)
- Extensive number of OSR equipment (over 6.000 m of oil booms, skimmers, pumps, hot tap, absorbents etc.)
- Six Oil Recovery Ships (IACS standards)
- Oil Spill Response, Management & Cleanup
- Collection, Storage and Disposal of Waste
- Shoreline Cleanup
- Desmi Partnership
